4. Should GRANTOR make prompt payment of the above described note as the same shall become due and payable and perform all of the acts, conditions, obligations and covenants contained in this DEED OF TRUST and in said above described note, the terms of which are incorporated herein by reference, this DEED OF TRUST shall become null and void, and shall be released by MORTGAGEE at the expense of GRANTOR.

5. GRANTOR COVENANTS AND AGREES AS FOLLOWS:

(a) PAYMENTS: GRANTOR will pay the principal and interest of the above described note in accordance with the terms thereof.

(b) INSURANCE: GRANTOR agrees to insure and keep insured all improvements now or hereafter created upon said property against loss or damage by fire and windstorm, and any other hazard or hazards as may be reasonably required from time to time by MORTGAGEE during the term of the indebtedness hereby secured, to the extent of the original amount of the indebtedness hereby secured, or to the extent of the full insurable value of said improvements, whichever is the lesser, in such form and with such Insurance Company or Companies as may be approved by MORTGAGEE, and to deliver to MORTGAGEE the policies of such insurance having attached to said policies such mortgage indemnity clause as

MORTGAGEE shall direct; to deliver renewals of such policies to MORTGAGEE at least ten (10) days before any such policies shall expire; any proceeds which MORTGAGEE may receive under any such policy, or policies, may be applied by MORTGAGEE, at his option, to reduce the indebtedness hereby secured, whether then matured or to mature in the future, and in such manner as MORTGAGEE MAY ELECT, or MORTGAGEE may permit GRANTOR to use said proceeds to repair or replace all improvements damaged or destroyed and covered by said policy.

(c) OCCUPANCY: GRANTOR will keep the above described property occupied so as not to impair the insurance carried thereon and if said above described property should remain vacant for more than 30 days MORTGAGEE shall have the option of taking possession and renting same for and on behalf of GRANTOR as provided in Paragraph 15 hereof.

(d) TAXES: GRANTOR will pay all taxes and assessments that are or may become due and payable on the above described property under any law, ordinance or regulation whether made by federal, state or municipal authority, before any interest or penalty accrues thereon.

(f) ENVIRONMENTAL: GRANTOR warrants that he will not make or allow any use, act, omission, or condition of or concerning the property herein described, in a manner creating liability of any person for the pollution or the environmental condition of the property. GRANTOR further represents, warrants and agrees that he will affirmatively prevent all such uses, acts, omissions, and conditions by all lawful means.

(g) TITLE: GRANTOR warrants that said above described property is free from all liens and encumbrances except as herein provided, and that GRANTOR is lawfully seized of said property.

(h) CONDEMNATION: GRANTOR agrees that in the event any portion of the above described property is taken by the right of eminent domain, all sums which may be awarded to GRANTOR in any condemnation proceedings shall, at the option of MORTGAGEE, be applied on the above described indebtedness.

(i) APPLICATION OF PAYMENTS: GRANTOR agrees that in the event any portion of the above described indebtedness cannot be lawfully secured by the liens renewed, extended or granted by this DEED OF TRUST on the above described property, all payments made on said indebtedness shall be applied to the discharge of that portion of said indebtedness until same is paid.

(j) **PRIOR LIENS:** GRANTOR agrees that in the event any lien, charge, or encumbrance is claimed or asserted by any person or party to be prior or superior to the lien of this DEED OF TRUST, to immediately pay off, discharge or remove such lien, charge or encumbrance from the above described property whether or not the same prove in fact to be prior or superior to the lien of this DEED OF TRUST.

6. Should GRANTOR fail or refuse to make prompt payment of the above described note as the same shall become due and payable or fail or refuse to perform any of the acts, conditions, obligations and covenants herein provided, then this DEED OF TRUST shall remain in force and effect and MORTGAGEE shall be entitled, without being under legal obligation to do so, to exercise the option of:

(a) Declaring the whole of the note secured by this DEED OF TRUST, including principal, interest and all sums and expenses expended by MORTGAGEE for and in behalf of GRANTOR as herein provided, immediately due and payable and instituting suit for the collection of same, and for the foreclosure of this DEED OF TRUST lien.

(b) Declaring the whole of the note secured by this DEED OF TRUST, including principal, interest and all sums and expenses expended by MORTGAGEE for and in behalf of GRANTOR as herein provided, immediately due and payable, with or without notice to GRANTOR and without presenting for payment any matured part of the indebtedness secured by this DEED OF TRUST, and cause trustee sale to be made.

(c) Performing or causing to be performed for and in behalf of GRANTOR any acts, conditions, obligations, and covenants which GRANTOR has failed or refused to perform and all sums so expended, including attorney's fees, court costs, agent's fees or commissions, or any other cost or expense of any type or nature, shall bear interest from the date of payment at the rate of 10% per annum, or at such higher rate as may be provided in the above described note, and shall be payable at the place designated in the above described note and shall be secured by the lien or liens securing the payment of the above described note and payable on demand.

7. Should MORTGAGEE elect to exercise the option of enforcing this trust by trustee's sale as above provided, it shall thereupon, or at any time thereafter, be the duty of the TRUSTEE, or his successor or substitute as hereinunder provided, at the request of MORTGAGEE, (which request is hereby conclusively presumed), to enforce this trust; and after advertising the time, place and terms of the sale of the above described and conveyed property, then subject to the lien hereof, for a least twenty-one (21) days preceding the date of sale by posting written or printed notice thereof at the Courthouse door of the county where said real property is situated, which notice may be posted by the TRUSTEE acting, or by any person acting for him, and the MORTGAGEE has, at least twenty-one (21) days preceding the date of sale, served written or printed notice of the proposed sale by certified mail on each debtor obligated to pay the indebtedness secured by this DEED OF TRUST according to the records of the MORTGAGEE, by the deposit of such notice, enclosed in a post paid wrapper, properly addressed to such debtor at debtor's most recent address as shown by the records of MORTGAGEE, in a post office or official depository under the care and custody of the United

States Postal Service, the TRUSTEE shall sell the above described property, then subject to the lien hereof, at public auction in accordance with such notice at the Courthouse door of said county where such real property is situated (provided where said real property is situated in more than one county, the notice to be posted as herein provided shall be posted at the Courthouse door of each of such counties where said real property is situated, and said above described and conveyed property may be sold at the Courthouse door of any one of such counties, and the notices so posted shall designate the county where the property will be sold), on the first Tuesday in any month between the hours of ten o'clock A.M. and four o'clock P.M., to the highest bidder for cash, selling all of the property as an entirety or in such parcels as the TRUSTEE acting may elect, and make due conveyance to the Purchaser or Purchasers, with general warranty binding GRANTOR, its successors and assigns; and out of the money arising from such sale, the TRUSTEE acting shall pay first, all the expenses of advertising the sale and making the conveyance, including a commission of five per cent (5%) to himself, which commission shall be due and owing in addition to the Attorney's fees provided for in said note, and then to MORTGAGEE the full amount of principal, interest, Attorney's fees and other charges due and unpaid on said note and all other indebtedness secured hereby, rendering the balance of the sales price, if any, to GRANTOR, its successors or assigns; and the recitals in the conveyance to the Purchaser or Purchasers shall be full and conclusive evidence of the truth of the matters therein stated, and all prerequisites to said sale shall be presumed to have been performed, and such sale and conveyance shall be conclusive against GRANTOR, its successors and assigns.

8. It is agreed that in the event a foreclosure hereunder should be commenced by the TRUSTEE, or his substitute or successor, MORTGAGEE may at any time before the sale of said property direct to said TRUSTEE to abandon the sale, and may then institute suit for the collection of said note, for the foreclosure of this DEED OF TRUST lien, it is further agreed that if MORTGAGEE should institute a suit for the collection thereof, and for a foreclosure of this DEED OF TRUST lien, that he may at any time before the entry of a final judgment in said suit dismiss the same, and require the TRUSTEE, his substitute or successor to sell the property in accordance with the provisions of this DEED OF TRUST.

9. MORTGAGEE shall have the right to become the purchaser at all sales to enforce this trust, being the highest bidder, and to have the amount for which such property is sold credited on the debt then owing.

10. MORTGAGEE in any event is hereby authorized to appoint a substitute TRUSTEE, or a successor TRUSTEE, to act instead of the TRUSTEE named herein without other formality than the designation in writing of a substitute or successor TRUSTEE; and the authority hereby conferred shall extend to the appointment of other successor and substitute TRUSTEES successively until the indebtedness hereby secured has been paid in full, or until said property is sold, hereunder, and each substitute and successor TRUSTEE shall succeed to all of the rights and powers of the original TRUSTEE named herein.

11. It is further agreed that if GRANTOR, its successors or assigns, while the owner of the hereinabove described property, should commit an act of bankruptcy, or authorize the filing of a voluntary petition in bankruptcy, or should an act of bankruptcy be committed and

involuntary proceedings instituted or threatened, or should the property hereinabove described be taken over by a Receiver for GRANTOR, its successors and assigns, the note hereinabove described shall, at the option of MORTGAGEE, immediately become due and payable, and the acting TRUSTEE may then proceed to sell the same under the provisions of this DEED OF TRUST.

12. In the event the money secured by this DEED OF TRUST, or any part hereof, is used to pay off or discharge any lien, charge or encumbrance upon or against the above described property, MORTGAGEE shall be subrogated to all such liens, charges or encumbrances so paid off, satisfied or discharged, and to all of the rights of the person or persons to whom such payments are made.

13. It is agreed that an extension, or extensions, may be made of the time of payment of all, or any part, of the indebtedness secured hereby, and that any part of the above described real property may be released from this lien without altering or affecting the priority of the lien created by this DEED OF TRUST in favor of any junior encumbrancer, mortgagee or purchaser, or any person acquiring an interest in the property hereby conveyed, or any part thereof; it being the intention of the parties hereto to preserve this lien on the property herein described and all improvements thereon, and that may be hereafter constructed thereon, first and superior to any liens that may be placed thereon, or that may be fixed, given or imposed by law thereon after the execution of this instrument notwithstanding any extension of the time of payment, or the release of a portion of said property from this lien.

14. In no event shall GRANTOR or any party liable on the above described note be required to pay interest in excess of the rate allowed by the applicable laws of Texas and the United States, it being the intention of the parties to conform strictly to the usury laws now in force and the above described note or the contract for interest shall be held to be subject to reduction to the amount allowed under said usury laws as now or hereafter construed by the courts having jurisdiction.

15. As additional security for the payment of the above described note, GRANTOR does hereby sell, transfer, and assign unto MORTGAGEE, all rents and revenues, together with the landlord's lien that may accrue by reason of any lease or contract on the above described property and the right to take possession of and rent, for the account of GRANTOR, the above described property; provided however, that so long as GRANTOR complies with all of the terms and conditions herein, GRANTOR may collect and retain all such rents and revenues; but if GRANTOR fails or refuses to comply with all the terms and conditions herein, MORTGAGEE shall have the option (either before, after, or without foreclosing on the realty or other collateral) of demanding and collecting said rents and revenues and taking possession of said above described property and renting same for and on behalf of GRANTOR and applying all rents and revenues upon the above described indebtedness after deducting all costs of collection and administration. MORTGAGEE shall not be liable for damages to any person arising from the condition of the premises during the time that MORTGAGEE has possession or is collecting the rents and revenues, but such damages, if any, shall be the obligation of GRANTOR, and GRANTOR agrees to keep MORTGAGEE harmless in such event.

16. GRANTOR also hereby grants to MORTGAGEE a security interest in all rents, income, and revenue, whenever arising, of any nature from the property, and all proceeds thereof, under the Uniform Commercial Code of Texas. MORTGAGEE may enforce said security interest under the Uniform Commercial Code of Texas, or under the terms of this instrument, or under any combination of the above.

17. In the event of a foreclosure under the power granted hereby the owner or owners in possession, their heirs, assigns and legal representatives, or any person holding under them or in possession of the above described property, shall thereupon become the tenant or tenants at will of the purchase at such foreclosure sale; and should such tenants, owners, or persons in possession fail or refuse to surrender said premises on demand, the purchaser shall thereupon become entitled to institute and maintain the statutory action of forcible detainer and procure a writ of possession thereunder.

18. The above named MORTGAGEE or any other owner or MORTGAGEE of the above described note is herein called MORTGAGEE and all of the terms, conditions, and covenants contained in this DEED OF TRUST shall bind and inure to and be for the benefit of the respective heirs, executors, administrators, successors, and assigns of the GRANTOR and MORTGAGEE.

19. Whenever used, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders, wherever the context so admits.

20. The exercise by MORTGAGEE of any right or option hereunder shall not constitute a waiver of the right to exercise any other right or option hereunder and the failure of MORTGAGEE to exercise any right or option hereunder shall not constitute a waiver of said right or option or any other right or option hereunder.

21. If the note hereby secured is given as a part of the purchase price of any of the herein described real property, then this DEED OF TRUST is in addition to any vendor's lien retained in a deed of even date herewith, securing the payment of the indebtedness described herein; and it is expressly agreed that the same shall not operate as a waiver of the lien created by this DEED OF TRUST, it being agreed that said lien and rights created by this instrument shall be cumulative and in addition to said vendor's lien above mentioned, and that the owner or mortgagee of the above described indebtedness may foreclose under either or both of said liens, as he or it may elect, without waiving the other, said deed above mentioned, together with its record, being here referred to and made a part of this instrument.

22. It is specially agreed that this DEED OF TRUST also secures MORTGAGEE in the payment of any and all indebtedness now outstanding or hereafter to become owing by GRANTOR to MORTGAGEE, or owing by any guarantor of the secured debt to MORTGAGEE, which future indebtedness it is agreed shall bear interest from date of accrual at the same rates as that provided in the hereinbefore described and secured note (but if such other debt is evidenced by another instrument with a higher interest rate, then it shall bear interest at said higher rate) and shall be payable to MORTGAGEE at the same place at which said note is payable and shall be

deemed a part of the indebtedness secured by this DEED OF TRUST and recoverable as such in all respects.

23. It is further expressly agreed that any conveyance of the above described property by GRANTOR, without the prior written consent of MORTGAGEE shall, at the option of MORTGAGEE, mature all obligations and indebtedness secured hereby, without necessity of presentment of the promissory note above described, notice or demand, other than written notice to the maker of the indebtedness and obligations secured hereby that MORTGAGEE has elected to, and has matured said indebtedness and obligations, and has declared same immediately due and payable.

24. It is understood and agreed that by this instrument, GRANTOR, in addition to fixing and creating a deed of trust lien upon and against the property herein described, also creates and grants to the MORTGAGEE a security interest pursuant to the Uniform Commercial Code of Texas. The parties hereto specifically agree that in the event of default by GRANTOR, MORTGAGEE may enforce the rights of a secured party under the Uniform Commercial Code of Texas, the rights of a secured party hereunder, the rights of a real estate lienholder hereunder, any rights provided by law or by any instrument, or all or any part or combination of the above.

25. Some of the items of property described herein are goods that are or are to become fixtures related to the real estate described herein, and it is intended that, as to those goods or fixtures, this DEED OF TRUST shall be effective as a financing statement filed as a fixture filing from the date of its filing for record in the real estate records of Brazoria County, Texas. The name of the record owner of said real estate is C&G INVESTMENT HOLDINGS, L.P. Information concerning the security interest created by this instrument may be obtained from the MORTGAGEE, as secured party.

26. It is specifically agreed that the Holder of any debt hereby secured shall have the right at any time to deem itself insecure in any aspect of this transaction, and in such event, all or any part of the debts hereby secured, at the option of the Holder thereof, shall be accelerated and immediately due and payable.

27. The collateral and liens herein described, and all other collateral and liens securing any portion of any debt owed to the MORTGAGEE hereof by GRANTOR or any Guarantor, or other person obligated to pay any debt hereby secured, shall also secure the notes herein described and all other debts of all such persons to the MORTGAGEE hereof, regardless when such collateral, liens, or debts arise, now, in the past, or in the future.

28. GRANTOR agrees that any default upon any debt, security instrument, or agreement of any nature between GRANTOR and the MORTGAGEE or any Guarantor shall, at MORTGAGEE'S option, also be a default on all debts, security instruments, and agreements between GRANTOR and MORTGAGEE, or GRANTOR and any Guarantor.

29. GRANTOR represents, warrants, promises, agrees, and conclusively stipulates that under no circumstances shall TRUSTEE or MORTGAGEE owe any fiduciary duty to GRANTOR. Without limiting the foregoing: (1) This instrument is intended as security, for the benefit of MORTGAGEE, for secured obligations herein described; (2) MORTGAGEE, not GRANTOR, is the beneficiary of this deed of trust and of the TRUSTEE herein named; and (3) If MORTGAGEE takes or fails to take any action hereunder, then MORTGAGEE may do so purely for MORTGAGEE'S own benefit, and not for the benefit of GRANTOR or as GRANTOR'S agent.
